

Innovating Today for a Sustainable Tomorrow: Yugantar- The Management Conclave by INTERNACIA- International Business Society of SRCC

New Delhi, May 06, 2024: 'Innovation for Sustainability' was the name of the game at SRCC's Yugantar – Management Conclave, organized by INTERNACIA - International Business Society of SRCC on 6th May 2024 at New Delhi.

Rakesh Sinha, Founder & CEO of Quintes Global shared his valuable insights on the 'Future of Work' strategies and the way forward during a panel interaction. He highlighted that the FOW strategists need to go beyond just adopting new technologies or remote work, to smartly redefining org structure, cultivating a culture of innovation, and prioritizing environmental and social responsibility.

The session brought out some brilliant pointers on the topic from co-panelists, **Pritiman Sarkar** TEDx speaker, Tech Enthusiast, YouTuber, Storyteller and Sr Vice President at SBI Card, **Samridhhi Bhattacharya**, Country Director and General Manager at Dell Technologies Small Business, **Ritu Bharti**, Director Head P&BM International Hubs, NatWest Group and **Rakhi Aswal**, CFO at Saxo Bank who also moderated the session.

All discussions at the conclave were centered around the overarching theme of 'Innovating Today for a Sustainable Tomorrow.' The insights shared by all the esteemed speakers were instrumental, greatly enriched the sessions, paving the way for meaningful exchanges and actionable takeaways.
